How to contact us

What data do we collect?

- **Personal data:** name, email address, phone number (optional), IP address, among others.

How do we collect it?

When you visit our website and voluntarily provide your personal data.

We collect data and process data when you:

- Register online
- Voluntarily complete a customer survey or provide feedback on any of our message boards or via e-mail
- Use or view our website via your browser's cookies, IP address, network interaction history and website history.

How Vortex Pharma Solution may use your personal data

Vortex Pharma Solution will only process your personal data where there is a legal basis for doing so, and where it is necessary to carry out the purpose for which it was collected.

Vortex Pharma Solution may use your personal data to communicate with you about our services, and to respond to your inquiries. We may also use your personal data to send you marketing communications that we believe may be of interest to you, but only if you have consented to receive such communications. You have the right to withdraw your consent at any time.

Cookies

Cookies are small text files that are placed on your device when you visit our website. We use cookies and similar technologies to improve your browsing experience and to personalize content and advertisements. We may also use cookies to analyse how you interact with our website and to monitor website performance. You can manage your cookie preferences through your browser settings.

For further information, please visit <https://allaboutcookies.org/>

Types of cookies:

There are several different cookies, however, our website uses:

- **Functionality** – Vortex Pharma Solution uses these cookies so that we can recognize you on our website and remember your previously selected preferences. These could include that language you prefer and location you are in. A mix of first-party and third-party cookies are used.
- **Advertising** – Vortex Pharma Solution uses these cookies to collect information about your visit to our website, the content you viewed, the links you followed and information about your browser, device, and your IP address.

Retention of personal data

Vortex Pharma Solution will follow the appropriate actions to ensure your personal data is retained only for the period required to fulfil the purposes outlined in this Privacy Notice. Vortex Pharma Solution will only retain personal data for a longer period if required or permitted by law or by applicable regulations.

Your rights

You have the right to access, rectify, and erase your personal data, as well as the right to restrict or object to its processing, and the right to data portability. You also have the right to lodge a complaint with a supervisory authority if you believe that your rights have been infringed.

How Vortex Pharma Solution may transfer or share your personal data

We do not share your personal data to third parties. However, we may disclose your personal data if required by law, or if we believe it is necessary to protect our rights or the safety of others.

Links to other websites

This website may provide links to associated or external websites. Vortex Pharma Solution is not responsible for the content, quality, data processing activities or data protection practices of any other website. If you visit another website, please consult the privacy notice and privacy settings of the respective website.

Modifications

Vortex Pharma Solution may update this Privacy Notice from time to time to reflect changes in our practices or legal obligations. We will post the updated Privacy Notice on our website and indicate the date of the latest revision.

Contact information

If you have any questions or comments about this Privacy Notice, please contact Vortex Pharma Solution A/S at data.privacy@vortexpharmasol.com.
